Dear friends of the IFBB:

During the recent actions to determine the membership status of the Aruba Bodybuilding and Powerlifting Association [ABPA] with the NAPF and the IPF, the actions and responses by the honorable Javier Pollock were conducted in an extremely professional and legal manner outlined not only in the Constitution of the IFBB, but the Constitution of the International Powerlifting Federation [IPF].

Mr. Pollock not only has our sincere and utmost respect, but our sincere gratitude for guiding us in our decision to dismiss a considerably and significantly insincere regime currently governing the ABPA.

Please be guided by the facts and not fictitious performances. Of course, if you have any questions, please feel free to contact me directly.

Respectfully,

Robert Keller
